In re application of	:	
(Charles Bluth et al.)	:	
Serial Number: 09/549,972	:	DECISION ON PETITION
Filed: 04/14/2000	:	TO CORRECT INVENTORSHIP
For: Health Care Kiosk with Handicapped	:	UNDER 37 CFR. 1. 48
Accessible Seat	:	

This is a decision on the petitions filed on March 20, 2002 under 37 CFR 1.48 to correct the inventorship of the above identified application. A petition fee of \$130.00 was included.

The application was filed on April 14, 2000 listing Charles P. Bluth and James C. Bluth as the inventors. On March 20, 2002, applicants filed the present petition to add Raymond G. Bryan and Jim C. Lovell as joint inventors. A written consent of the assignee, and a declaration executed by each inventor is included in the petition. Also included is a statement from each person being added as an inventor that the error in inventorship occurred without deceptive intention on his part.

In view of the petition, it has been found that the application, as filed, through error and without deceptive intent, improperly set forth the inventorship. Accordingly, this application has been corrected in compliance with 37 CFR 1.48 (a). The inventorship of this application has been changed to Charles P. Bluth, James C. Bluth, Raymond G. Bryan and Jim C. Lovell.

The application will be forwarded to the Office of Initial Patent Examination (OIPE) for issuance of a corrected filing receipt, and correction of the file jacket and USPTO PALM data to reflect the inventorship as corrected.

Summary: Decision on Petition GRANTED.
